Office Memorandum • UNITED STATES GOVERNMENT

TO : Assistant Director for Operations

FROM : Chief, Foreign Documents Division

SUBJECT: FDD Monthly Progress Report - December 1952

DATE: 9 January 1953

ADMINISTRATION

1. Twenty-three clerical positions in Reports Branch were reclassified, as of 4 December, raising the "Editorial Clerk (Typing)" level from GS-3 to GS-4. One Documents Control Branch position was reclassified from Translator, GS-7 to Intelligence Officer, GS-9.

2. A practice air raid alert was held on 12 December in cooperation with the Civil Defense Administration.

3. In preparation for issuance of new badges, Inspection and Security Office photographed 114 persons on 11 December.

4. Start of the Human Resources Program was scheduled for 6 January 1953.

5. First shipments of air conditioning units were received for installation in the FDD area.

OPERATIONS

1. FDD participated in two conferences initiated by ORR regarding solutions for problems developed in abstracting of SODB enclosures. Proposals for correction are being drafted by OCD.

2. The FDD Linguist Consultant Service in M Building acted on 18 requirements involving 1,187 foreign-language pages in Russian, German, French, and Czech.

3. Special collation of items from the Soviet press was started in response to an FI requirement. An Autostat machine was installed by FDD for this project.

4. Two more seminars of FDD and ORR personnel were held to consider requirements against the Division's potential. Visits by ORR analysts noticeably increased as a result of the seminar series.

5. Discussion was held with the Materials Division, ORR, regarding a shift of emphasis from coverage of current publications to exploitation of basic books and monographs related to specific projects assigned to Materials Division.
